## There's more to this than simply a checking account.

Every organization is different, but the one thing that they have in common is a strong relationship with a bank that understands and supports their goals.

### BOSS (Online Banking)

With instant, 24/7 access to your accounts, BOSS is a comprehensive money management tool that includes access to deposit accounts and loans, as well as a bill-paying feature.

### Cash Management

Our Cash Management package of services provides a variety of ways to manage your cash flow and ensures that all your money is working as hard as you are.

### Remote Deposit Capture

Remote Deposit Capture allows you to use your existing PC and Internet connection, along with a simple desktop scanner, to quickly and easily create your bank deposits from your office, 24 hours a day. All online. All on your time.

## Team Advantage Banking (TAB)\*

Retail Banking benefits are available to you and your employees who have Direct Deposit into an account with Fulton Bank.

## Credit Card Processing

We offer innovative and integrated payment card processing solutions that are specifically designed for your unique needs.

## Line of Credit

A line of credit from Fulton Bank allows you to draw from a pre-approved cash resource to take advantage of business opportunities whenever they arise.
