The screenshot shows the 'Get Paid' dashboard. At the top, there are links for 'Pay bills', 'Get paid', and 'Settings'. Below that is a '+ Create Invoice' button. The main section is titled 'Get Paid' and includes tabs for 'Invoices', 'Customers', and 'Payouts'. There is a search bar and filter options for 'Status', 'Due date', and 'Payment request'. A table lists invoices with columns for Customer, Invoice #, Updated, Due date, Last viewed, Status, and Amount. The first invoice is highlighted with a blue box around the ellipsis icon in the Amount column.
